API sub-committee members(From Nov 2023-):

We have started the process to elect a new chair for the API sub-committee. The process started on 23 Nov and will continue until Noon 15 Dec 2023 (Pacific)

The election process is two steps. The first is for people to self-nominate for the position. To do this, put a Y in the correct column if you wish to run for Chair. The second step is to have an election for the position. If there is only one person who has self nominated, then that person will be chair.

Note: Please ensure that both the name and email address for each member is listed on each sub-committee membership wiki page in order to properly set up CIVS voting when required.

Interested parties sign up:

Name	Affiliation	Email	LF ID	Self nominate as Chair (Y/N)	Self Nominate as Co-Chair (Y/N)

API sub-committee members(From Nov 2020~Nov 2023):

We have started the process to elect a new chair for the API sub-committee. The process started on 5 Nov and will continue until Noon 19 Nov 2020 (Pacific)

The election process is two steps. The first is for people to self-nominate for the position. To do this, put a Y in the correct column if you wish to run for Chair. The second step is to have an election for the position. If there is only one person who has self nominated, then that person will be chair.

Note: Please ensure that both the name and email address for each member is listed on each sub-committee membership wiki page in order to properly set up CIVS voting when required.
