SEBA for TA minutes 2019.09.30

Attendees

- Julie Lorentzen
- Hans Hansen
- Tina Tsou
- David Plunkett
- Zack Williams

Minutes

- Validation lab hardware config - status update: David plans to work with Roy this week
- Preliminary target for MBI2 was today; estimate earliest achievable date is October 14
- Tina requested feedback on upstreaming to OpenCORD (related to question from Ciprian to ONF multi-architecture brigade); Zack recommended Ciprian retry with recommendations posted to brigade email list:
