Project Technical Lead: Tao Wang

Project Committers detail:

Initial Committers for a project will be specified at project creation. Committers have the right to commit code to the source code management system for that project.

A Contributor may be promoted to a Committer by the project's Committers after demonstrating a history of contributions to that project.

Please see [TSC 2020-10-29 \(Thurs\) 7 am Pacific](#) for the election information of CVB PTL.
