REC Project Minutes 2020.08.27

Attendees

- Paul Carver
- Darrin Vallis
- Tina Tsou

Agenda

- REC Centos update

Minutes

- Dave is working on a general Centos update for REC. Essentially using a newer base image and unpinning dependencies to see what (if anything) breaks. He will report back to Paul Carver and we will update the REC upstream dependencies as much as possible based on the results of Dave's testing.
- Darrin has been asked to look into writing a blog post for LF Edge about REC on eMag servers
