  - Fix the vuls and lynis
    - Inwinstack https://nexus.akraino.org/content/sites/logs/inwinstack/R3/logs/iec-type4/
  - UNH https://nexus.akraino.org/content/sites/logs/parserlabs/job/R3/iec-type4/
  - Bart Dong Thor Chin Abhimanyu Bhatter
- Ask the review
  - o Refer to, BP Graduation Review Processes and Criteria
    - Send email to mail-list

TBD after this meeting,

Suggest the Security Sub-committee improving the security scan, Bart Dong

- Provide an environment that has already fixed all the vulnerability and security configuration.
- So that the security scan could focus on the problem caused by blueprints.
