The TSC members on vacation or other office duties or inability to join TSC calls can request a proxy from their own company or another active contributor of Akraino to represent on the TSC calls and vote in behalf of them up to a maximum of five consecutive weeks by sending an email to Akraino-voting email list. TSC members do not return and resume their TSC duties after five consecutive weeks to be considered abandoned their TSC duties and considered that the TSC seat is vacant. TSC members who do not assign a proxy and do not show up more than four consecutive weeks to the TSC call are considered abandoned their TSC member position.
