Technical Community Call - As needed

[TSC Meeting Lead Sign Up](#)

NOTE: Please carefully review the meeting host instructions for meetings available on the [Community Meetings & Calendar](#) wiki page.

Meeting Details:

- To schedule a meeting send an email to technical-discuss@lists.akraino.org
- View (or subscribe to) meeting in [Technical-Discuss Group Calendar](#)

Next Meeting

To be scheduled

Meeting Content (recording / slides / other):

- November 20, 2020 [Rural Edge blueprint for Tami COVID-19 Blueprint Family](#)
- June 11, 2020 End-to-End Call Flow Validation feature project proposal: [recording](#), [project link](#)
- April 9, 2020 presentations: The AI Edge: Federated ML application at edge blueprint proposal ([link](#), [recording](#)). IEC Type 6: IIoT for Integrated Edge Cloud (IEC) blueprint proposal ([link](#), [recording](#))
- April 2, 2020 [recording](#) ([Private LTE/5G ICN Blueprint](#))
- March 26, 2020 recordings: [KubeEdge Edge Service Blueprint Family, Type 1: ML Inference Offloading](#), [Public Cloud Edge Interface \(PCEI\) Blueprint Family proposal](#)
- March 12, 2020 [recording](#) ([Enterprise Applications on Lightweight 5G Telco Edge](#))
- March 5 2020 [recording](#), [notes](#) ([Edge Computing-based Stable Topology Prediction for Vehicular Networks](#))
- February 20, 2020 [recording](#) (IEC Type 3)
- February 6, 2020 [recording](#) (Robotaxi presentation)
- December 5, 2019 [recording](#) (IEC Type 5 SmartNIC presentation)
- September 19, 2019 [recording](#) (Getting started with Blueprint validation)
- August 1, 2019 [recordings](#) (IEC Type 5: AI on the edge)
- July 25, 2019 recordings: [IEC](#), [ELIOT](#)
- July 18, 2019 [recording](#) (New projects: 5G MEC/Slice System to Support Cloud Gaming, HD Video and Live Broadcasting Blueprint, ELIOT AIoT in Smart Office Blueprint)
- July 11, 2019 [recording](#) (Radio Edge Cloud [Paul Carver](#))
- June 11, 2019 [recording](#) / [chat notes](#) / [OVN4NFV-k8s-plugin](#) (Multi-Server Cloud native NFV and App stack BP)
- March 8, 2019 [recording](#) / [chat notes](#) / [ELIOT slides](#) (Getting started with LF Jenkins, ELIOT project)
- February 28, 2019 [recording](#) / [chat notes](#) (Akraino release process discussion)
- February 21, 2019 [slides](#) (ETSI MEC API Framework project proposal)
- February 14, 2019 [recording](#) / [slides](#) / [chat notes](#) (OpenStack Edge Working Group)
- February 7, 2019 [recording](#) / [slides](#) / [chat notes](#) (Kubernetes IoT Edge WG, OVS-DPDK project)
- January 31, 2019 [recording](#) (LF CI system intro)
- January 24, 2019 [recording](#) / [slides](#) ([Akraino Blueprint Validation Framework](#))
- January 17, 2019 [recording](#) ([Serverless Blueprint](#))
- January 10, 2019 [recording](#) ([SEBA Blueprint](#))
- January 3, 2019 [recording](#)
- December 13, 2018 [recording](#) / [slides](#)
- November 29, 2018 [recording](#) / [slides](#)
- November 15, 2018 [recording](#) / [slides](#)
- November 8, 2018 [recording](#) (zoom error)
- November 1, 2018 [recording](#) /
- October 25, 2018 [recording](#) / [slides](#) / [ONAP Edge Automation WG](#)
- October 18, 2018 [recording](#) / [technical community document](#)
- October 11, 2018 [recording](#)
- October 4, 2018 [recording](#) / [slides](#)
- September 27, 2018 [recording](#) / [technical community document](#)
- September 20, 2018 [recording](#) / [slides](#)
- September 13, 2018 [recording](#)
- September 6, 2018 [slides](#)
