Agenda

- Maturity Review
- Looking forward to R5
- Guide of building BP on Tencent Cloud
- Write Blog of IEC Type 4

Minutes

TBD:

Maturity review:

- Send an email to the mailing-list to remind them of the steps. [Bart Dong](#) done

Looking forward to Release 5:

- Try to build BP on Tencent Cloud, and write the Guide. [Eaton Zhang Bart Dong](#)
- Try the security check to see if there are plenty of problems. [Eaton Zhang](#)
 - If so, re-set the Kubernetes environment manually.
 - If not, we can keep the TKE environment.
- Develop more functions based on TARS, TarsGateway, and DCache or MySQL. [Eaton Zhang Abhimanyu Bhattar](#)

Guide of building BP on Tencent Cloud

- Environment and the Guide. This week. [Eaton Zhang Bart Dong](#)

Write Blog of IEC Type 4

- Next week. [Bart Dong Tao Wang](#)
