 - Contribution submitted for the next MEC meeting on July 6th

Minutes

- [Oleg Berzin](#) and everyone, Today's meeting is very important, I do think that what we have discussed are not only about how to collaborate with ETSI, 3GPP and other SDOs, but also about how and what we plan to do in next half of year. From my side, I will provide some comments about what I think about the plan of R5 and the architecture we have discussed in recent weeks.
- Recording

Topic: Public Cloud Edge Interface (PCEI) Blueprint Family weekly meeting - 5pm PT
Start Time : Jun 30, 2021 04:58 PM

Meeting Recording:
