

# Akraino Blueprint Datasheet template

Datasheet document shall provide an overview (summary in terms of 1-2 pages) of the Blueprint's solution. The objective is to provide an insight on key aspects and/or functionalities utilized in the Blueprint.

Attached Datasheet template is general and aims to provide an assistance in providing an overview of the BP's released documentation review. The author(s) are free to add and change the format in order to provide the key aspects of the BP's evolution.
