

R5.1 - API Documentation Enterprise Application on Lightweight 5G Telco Edge (EALTEdge)

Introduction

EALTEdge is using EdgeGallery as a base and offers EdgeGallery APIs as-is.

EdgeGallery is an independent opensource, more details can be found at <https://www.edgegallery.org/en/>

API Definitions

Application Orchestration Interface

http://docs.edgegallery.org/zh_CN/release-v1.1/Projects/MECM/Appo_Interfaces_en.html
