

# Meetings

The Security Sub-committee meeting schedule can be found on the Akraino calendar <https://lists.akraino.org/g/security/calendar>.

The schedule of the meeting is driven by the agenda. Please send your discussion topics to the [security@lists.akraino.org](mailto:security@lists.akraino.org) mailing list a few days before the meeting.

20 May 2020

Agenda:

ICN BP Security review (Bluval results): Kuralamudhan Ramakrishnan & Igor Duarte Cardoso: - 20 - 30 mins

23 Oct 2019

Attendees:

- Randy Stricklin
- Ken Yi

Topics:

- CII badging: Security. Randy
  - How to expand the security sub-committee and involve more participants
  - Randy will ask people from ATT IOT team to talk about IOT edge applications and potential requirements to security
- Security scan integration (Skipped)

10/09/2019

Attendees:

- Randy Stricklin
- Daniil Egranov
- David Plunkett
- Ken Yi

Topics:

- Security tool integration status check
  - PTLs might be under the release pressure, need to talk to PTLs individually. (Ken will follow up)
  - Clarification: Just one sample repo location for each language, no need to list all repos
  - David will fill in the [Network Cloud Blueprint Family](#) as an example
- CII badging
  - Not all of them relating to security
  - Suggest to TSC to have CII as part of maturing process
  - Each blueprint project is not created for the same audience, can we mandate the same set of requirements?
  - Should process subcommittee to adopt CII badging to have a standard measurement.

9/25/2019

Attendees:

- Randy Stricklin
- Tina Tsou
- Ken Yi

Topics:

- CII (Core Infrastructure Initiative) Badging in ONAP - Amy Zwarico
  - Overall is positive, almost all projects passing CII badging
  - Frustration from the projects: Priority, ...
  - Tony's dashboard
  - ONAP do badge at per project level
  - Using script to auto-generate Jira ticket.
  - Linux Foundation code of conduct
  - Which part of CII is important for Akraino
  - ONAP vulnerability management process
- SonarCloud integration - Eric Ball

AI:

- Randy will drive the CII badging discussions. We will allocate 20 minutes in future sec-committee meetings.
